

Effective Machine Guarding

Presented by the Massachusetts Division of Occupational Safety (DOS),
On-Site Consultation Program

Dates and Locations of Seminars:

April 6, 2002 at the Holiday Inn, Randolph
April 14, 2002 at the Lord Wakefield Inn, Wakefield
April 26, 2002 at the Holiday Inn, Worcester
May 3, 2002 at the Marriott, Springfield
Registration 8:00 - 8:30 am
Seminars 8:30 - 12:00 noon

In response to the Occupational Safety and Health Administration (OSHA) Strategic Plan, which includes the goal of *preventing amputations and reducing workplace accidents*, the Massachusetts Consultation Program is offering **free** half-day seminars designed to help employers effectively guard machinery, achieve compliance with OSHA regulations, as well as assist them in developing an effective safety and health program. Topics presented at these training seminars include:

■ Guarding techniques for slicers, slitters, saws, shears, and presses

■ Electrical Safety

■ Required written programs

■ Recordkeeping- reviewing the new standard

■ Safety and Health Program Management

Each attendee will receive a free safety and health manual
